As required by the NSW government all menu items sold each day, are to be listed as Everyday or Occasional food to allow parents and caregivers informed choices.

The NSW state government states menu items are required to be 75% everyday and 25% occasional.

Made Fresh is proud that we have exceeded this requirement. We have kept our prices reasonable even after an increase to the levy for the "container scheme fee". Our suppliers have also increased their prices on eligible/quality goods under the new "star system".

Your child's healthy eating is paramount to our business.

Thank you for your ongoing support.
